Co-Enrollment	9/25/19		Programs

Per DWD Issuance 03-2019, all customers of WIOA partners must be presented with the availability of services for which they are eligible – or potentially eligible. They must be actively engaged and assisted in co-enrolling in services they choose.

The Workforce Development Board of Western Missouri (WDB) encourages co-enrollment across funding streams to meet the needs and expectations of its customers, to leverage resources, and to eliminate duplication.

In addition to the required co-enrollments in DWD Issuance 03-2019, the WDB will require that participants are enrolled into all programs for which they are eligible and will assist them including SkillUP, Youth Jobs League, and if the youth are 18 and older, co-enrollment into WIOA Adult.
