Individuals must meet the following eligibility criteria to participate in the WIOA Adult program:

- U.S. Citizen or otherwise authorized to work in the United States
- Age 18 years or older
- Selective Service Registration

For individuals that need staff assisted services only, staff will complete a basic WIOA enrollment for that purpose without requiring the individual's income. If it is later determined that the individual needs services beyond staff assisted, the individual will need to meet one of the priority levels and the income must be added to the WIOA MO Jobs application.

OWD Issuance 12-2020 states that WIOA regulations require states and Local Workforce Development Areas (LWDAs) to establish priority of service criteria for Adult program-funded Individualized Career Services and Training Services. The State's policy is that Local WDBs must establish tiered, local, priority-of-service policies. These policies must assign top priority to:

- Public-assistance recipients;
- Low-income individuals, and
- Individuals who are basic-skills deficient (including English language learners).

These policies must also allow other eligible individuals outside of the top-priority group to have access to these services. DOL's recommendation is to give priority of service to these individuals ensuring that at least 75% of a state's participants receiving individualized career and training services, in the Adult program, are from at least one of the priority groups mentioned above. **The priority of service rate must never be lower than 50.1%.**

Individuals in the levels below are given priority to receive individualized career services, training services, and supportive services funded by the WIOA Adult program over other individuals who also meet eligibility requirements for the program. Veterans and eligible spouses within these groups receive priority over non-veterans.

Priority Level One

- Veterans and eligible spouses who are recipients of public assistance or are low income.

Priority Level Two

- Individuals who are recipients of public assistance
 - An individual who receives, or in the past six months has received, or is a member of a family that is receiving, or in the past six months has received, assistance through the Supplemental Nutrition Assistance Program (SNAP),
